

- **Goodwill Ambassadors**

In order to promote the issues of Active Ageing and Solidarity between Generations and to achieve the objectives of European Year (2012) more successfully, several Goodwill Ambassadors will engage in activities in Latvia.

Goodwill Ambassadors are persons well known and respected in society who had undertaken a voluntary participation to show their help in activities of European Year (2012) in order to promote the activation of active ageing and solidarity between generations and achieving of goals set forth in Latvia for 2012.
